**Advisory:** Advisory will meet every Tuesday. All students are assigned to an advisory - a small group setting where students receive support and guidance in social, emotional, and academic skill-building as well as post-secondary planning.

**FLT: Focused Learning Time:** Focused Learning Time is a flexible period where students receive timely, differentiated support in the form of reteaching, intervention, and enrichment. Students schedule their FLT time during their advisory with the assistance of their faculty advisor, using the Enriching Students software scheduling program. FLT will begin Wednesday, September 21st.

**Lunch Assignments:** There are two lunch periods at Sanborn, and they happen in the 11:08 AM - 12:15 PM time frame. Students/teachers either have lunch 1 and then attend their FLT/Advisory class (depending on the day), or they attend their FLT/Advisory class and then have lunch 2. The physical location of the FLT/Advisory class (depending on the day) determines the lunch assignment for students/teachers for that day.

FLT/Advisory classes located on the FIRST floor are scheduled for lunch 1.  
FLT/Advisory classes located on the SECOND floor are scheduled for lunch 2.
