

SANBORN REGIONAL SCHOOL DISTRICT

SRSD File: DFF

INCOME FROM SCHOOL SHOP SALES AND SERVICES

Statement of Purpose:

The purpose of this policy is to ensure appropriate pricing of goods and services generated by student services and products, and proper handling of any funds received.

Statement of Policy:

The services and products provided through the district's various educational programs such as Industrial Arts and Home Economics, are not designed to be competitive with local businesses, nor to produce revenue for the district. However, when such services and products are made available to the public, the customer will be charged an amount sufficient to cover costs of materials, supplies, and parts used, and for insurance. Non-profit organizations and students enrolled in the course will be charged only the cost of the materials and parts used.

Moneys received from customers shall be turned into the school district central office for deposit in a designated depository. This money will be recorded to the appropriate general fund account.
