CONCEPTS

• The School District’s financial accounting and reporting is broken into multiple funds, by fund type:
  • Governmental Funds:
    • General Fund – This is the default fund, which accounts and tracks our day-to-day operations.
    • Special Revenue Funds – This fund tracks local, state and federal grants. (Applicable RSAs – RSA 198:20-b)
  • Business-type Funds – The District does not have any of these funds. Typical funds for this category are water and sewer operations.
  • Fiduciary Funds:
    • Scholarships
    • Student Activity Funds (GASB is moving this to a Governmental Fund.)
    • Capital Reserve/Expendable Trust Funds (GASB has moved this to be a component of the general fund; however, the operation of these funds are trust like. (Applicable RSAs – RSA 198:20-c)
