SANBORN REGIONAL BUDGET COMMITTEE

APPROVED MEETING MINUTES

December 14, 2017

BUDGET COMMITTEE MEMBERS:
Annie Collyer, Chair
Charlton Swasey, Vice Chair
Mary Cyr
Jack Kozec
James Doggett
Cheryl Gannon
Sandra Rogers-Osterloh
Tammy Mahoney, School Board Representative

1. CALL TO ORDER at 7:04 PM by Chair Collyer.
1.1 All Budget Committee members present.

2. ACTION ON MINUTES – Chair Collyer advised that minutes from last the Budget Committee meeting (12/7/17) could not be approved or accepted, because the Committee's Recording Secretary experienced a death in the family, and she had not been able to draft them. Mrs. Collyer told her to take care of her priorities at home, and to complete the minutes when she was able to do so.

3.0 AGENDA MODIFIED to include discussion for adopting the Budget Committee Guidelines- the final version of which, included edits and suggestions from members, and was distributed by email to members on 11/07/17.
Motion made my Mrs. Gannon to accept Guidelines as presented on 11/7/17.
No second. Motion did not carry.

Motion made by Mrs. Collyer to amend the timeline for election of officers from 30 days after the election is finalized, to 60 days after the election, to accommodate current or future members who may not be available within 30 days after the election due to scheduled time away. She noted that the work of the Budget Committee does not begin until late summer, so there is time. Seconded by Mrs. Mahoney.  
MOTION CARRIED: 6-2, with Mrs. Gannon and Mrs. Cyr opposed, and all other members voting in favor, with no abstentions.

3.1 Mrs. Gannon suggested another amendment, to appoint a Secretary, as outlined in the Guidelines, so that we would have a back up to draft minutes, in the event our recording secretary is indisposed, as was the case that evening. Doing so would allow us to be in compliance with reporting requirements. No second. Motion did not carry.

Mr. Doggett pointed out that such a provision was already included in the Guidelines document, and Mrs. Collyer clarified that we simply need to implement that change.

3.2 Motion made by Mrs. Mahoney to adopt the Guidelines, as amended. Seconded by Mrs. Gannon.  
MOTION CARRIED: 7-1 in favor, with Mr. Doggett opposed. All other members voted in favor, with no abstentions.

Since it is the School Board's budget that is being voted on, and the $30,000 NESDEC study was included in their Budget, it was decided to take a vote to make clear the Budget Committee's position on the matter:

Mrs. Collyer noted the Budget Committee had already voted on this item at our last meeting, and Mr. Ambrose had asked us to trust he was in the process of analyzing our needs in relation to our existing inventory, but has not yet had the opportunity to execute the analysis. 
**MOTION CARRIED: 5-2-1**, with Mrs. Collyer and Mrs. Mahoney opposed. All others in favor, except for Mr. Swasey, who abstained.

5.0 PUBLIC COMMENT
5.1 Corey Masson (Newton) thanked the Committee for working collaboratively on the budget, and for engaging in open discussions.

5.2 Pam Brown (Newton) also thanked the Committee for their hard work, but noted a concern with the
way the budget was approached, as in years past. It is her belief we should start with a zero based budget and build it up, based on the district’s actual needs and goals: anticipated enrollment, staffing, programs, capital depreciation, etc. rather than continue to talk about reductions, cuts and decreases, which have a negative connotation. She encouraged us to be cautious about wording and phrasing going forward in an effort to avoid unnecessary animosity.

5.3 Jim Baker (Newton) thanked the Committee and the Administrative and Leadership Team especially, for digging in to better understand the District needs

6.0 COMMITTEE COMMENT
6.1 Mrs. Collyer, Committee Chair, echoed the sentiments of both Mr. Baker and Mrs. Brown, and thanked them both for their views.

6.2 Mrs. Gannon also recognized the tremendous efforts of the (mostly) new Administrative Team to research and understand the District, especially without access to key personnel for support. She asked the voters to consider all of this, and to continue to show respect by allowing them to do their jobs.

7.0 RECOMMENDED BUDGET
Mr. Doggett made a motion to send our recommended budget of $35,108,007 to the School Board.
Seconded by Mr. Kozec
MOTION CARRIED: 7-0-1, with all members in favor, with the exception of Mr. Swasey, who abstained.
