Dear Students and Families,

We hope that you all had a nice weekend. With no athletics, testing, or other school events occurring, we have a relatively quiet week coming up at SRMS.

8th Grade Field Trip to Seacoast School of Technology (SST) - On Monday, March 18th, the 8th-grade will be taking a field trip to the Seacoast School of Technology in Exeter from 9:30-11:00. Students in the 8th-grade were given a permission slip to bring home about a week ago, which needed to be signed and returned to school by March 13th. Our School Counseling Department sent home a reminder email on Wednesday about the deadline, as well as a fact sheet with more information about the SST. This field trip is a great opportunity for our 8th grade students to become familiar with the opportunities available to them as they start to plan their high school experience. If you have any questions, please reach out to your student's school counselor.

Homework Club - SRMS is now offering an after-school Homework Club, which takes place on Thursdays from 2:15 to 3:45 pm. A late bus is available, which picks up middle and high school students by the gymnasium doors. The bus leaves at approximately 4:15 pm. This club is voluntary and highly recommended for students who need a quiet, structured, and safe environment to complete their assignments. Students will receive help and/or instruction as needed. Students should see Mrs. Scott for a permission slip or [click here](#). Any questions or concerns can be directed to Mrs. Scott at rscott@sau17.net.

Parents/Staff versus Students Basketball Game - On Friday, March 29th at 6 pm in the SRHS/MS gym, the SRMS Boosters are hosting the annual parent/staff versus students basketball game. Last week, the students received two emails with information about the game, including how to sign up to play. Any student who would like to play and has not done so should check their school email.

Any parent/guardian or staff member interested in playing the game can sign up at the link below. If you are not interested in playing in the game, please come out to cheer on the teams, support our Boosters through purchasing concessions and raffle tickets, or consider helping our Boosters by volunteering before, during or after the game. For more information about the game, please see the flyer on page 5 below.

A Message From School Counseling

Connect and Make the Most of Your Students' School Counselors

School counselors are key players on the educational team. These educational collaborators work to help all students be productive learners. They also assist students to:

- Navigate new expectations and environments.
- Set academic goals.
- Select courses that will prepare them for future classes.
- Get back on track after facing academic problems.
- Build social skills.
- Solve problems with friends.
- Strengthen coping and resiliency skills.
- Develop study habits.
- Make plans for high school and beyond.
- Explore and plan for different careers.
- Connect with internal or community agencies in times of crisis.

While supporting individuals, the counseling team also coordinates various school activities that support the academic and social development of all students. The counseling team uses research-based school counseling programs that reflect data and student needs to create and deliver a variety of offerings aimed at improving the overall functioning of the school, teaching, and school work

Students benefit from both their individual relationship, as well as collaborating with school staff and administration.

Get to know the counseling team that supports your students, and share with them your family's goals, concerns or questions.

Assistance and Supports in our Community for Families

The winter season is slowly lurching to its close, and with this in mind, here are some local and state resources that may help Spring come sooner!

[Child Care Resources for Families](#)

Search for child care and get free referrals tailored to fit your family's needs. Find information about different types of childcare.

[Judicial Branch Offers Free Eviction Mediation Programs Statewide](#)

To help residential landlords and tenants resolve their differences before eviction cases are filed in court, the New Hampshire Judicial Branch is launching a new, no-cost mediation program.

[Weatherization Assistance](#)

Whether you own or rent, our federally funded Weatherization Program is designed to address health and safety issues inside your home. The energy efficiency of the home may increase resulting in reduced energy costs.

[Homelessness Prevention Services](#)

Provides services that may include short-term assistance to prevent eviction, help in securing new housing for those who are suddenly homeless, and information & referrals for individuals and families in need of emergency shelter.

[Low-Income Home Energy Assistance Program \(LIHEAP\)](#)

New Hampshire residents who are elderly, disabled and low-income are provided financial assistance needed to pay for vital heating and utility expenses through the colder months.

[Rockingham County Food Pantries](#)

All food pantries have some food and items which will require income guidelines to be met, however private donations will have no eligibility requirements for distribution.

[NH Food Bank](#)

Listings for local food pantries and soup kitchens throughout New Hampshire. Unlike certain public assistance programs, the staff at the pantries and soup kitchens will not ask to see your income or prove you need assistance.

As always, we are a community. Not just for the kids, but for all our Sanborn people! Please reach out to your student's counselor for any information or assistance that you or your family might need.

End 68 Hours of Hunger

Dear Parents and Guardians,

The Sanborn Regional School District partners with *End 68 Hours of Hunger*, a local nonprofit food program whose mission is to help families in need feed their children over the weekend. This program helps provide students with extra meals from Friday evening through Sunday evening, helping them be better prepared to come to school on Monday morning nourished and ready to learn. All food is non-perishable and easy to prepare. We collect food items for *End 68 Hours of Hunger* at all schools to support our local families. *Please note that this is a non-profit organization and not a District sponsored program.*

If you feel this is a program from which your child could benefit, please fill out the permission slip below, and return to your child's school counselor! Your child will receive a bag of food on Friday afternoons.

If you have any questions, please contact any of our counseling staff.

NEWS RELEASE

SANBORN REGIONAL SCHOOL DISTRICT

Date: February 2024

Daniel J. Bakie School **KINDERGARTEN REGISTRATION** **for Newton and Kingston, NH**

If your child will be five years old by September 30, 2024, and you are a ***resident of Kingston or Newton, NH***, you should consider registering your child for full-day kindergarten for the 2024-2025 school year. Please visit our school website at <http://www.sau17.org/3/home> and click **the 2024-2025 registration link**. Registration is done completely online. Documentation required to complete the registration process includes a current physical & immunization record and proof of residency documents. The Sanborn Regional School District has defined the following acceptable residency documents: a copy of a **current** utility bill (electric, cable, gas, oil) showing your name and address (no P.O. Boxes), **along with** either a signed lease, a notarized letter from Builder or Realtor, property tax bill, settlement document on a new home or a property deed. Registering early helps us plan appropriately. We ask that registrations be completed ***no later than Wednesday, May 1st***.

New Hampshire State Law requires all children to have had immunizations for DPT, Polio, Mumps, Measles, German Measles, Chicken Pox, and Hepatitis B before school entry. They also require each child to have a complete medical examination within one year before entry into kindergarten.

Incoming parent orientation is scheduled on **Wednesday, April 10th from 3:20-4:20 p.m.** at the D.J. Bakie School (see below for specifics). This event is designed for parents/guardians and their students! This event is focused on visiting kindergarten classrooms, meeting the teachers, and seeing their classrooms. There will be an opportunity to meet our unified arts team and see other specific programs at a later date. The schedule is as follows:

Time:

3:20-3:50 If your Last Name begins with A-M

(If you have older students or PreK students, please park at Swasey after pick-up and walk over. Please do NOT park in the lot here)

3:50-4:20 If your Last Name begins with N-Z

We are excited to have you share the opportunity to visit classrooms and speak with our staff!

All incoming kindergarten students are required to participate in a screening process. ***You must register your child so that they may participate in the screening.*** Screening dates will be announced at a later time.

Please contact Kim Rousseau, Enrollment Coordinator, by telephone at (603) 642-5272, x101, or email krousseau@sau17.net for any questions.

AdventureLore's Summer Camp is a historically safe high-adventure coed outdoor living experience designed to offer challenging and successful experiences for children and adolescents. Under professional supervision and guidance, adventurers will gain self-esteem and personal confidence through adventurous, exciting and FUN filled activities, while acquiring outdoor living skills. These skills have been proven to be physically and mentally beneficial to individuals of all ages. We strive to help youth unfold positive attitudes about themselves and their peers in outdoor surroundings through exposure to both individual and group challenges.

Ryan's Message

Summer camp is one of the most amazing experiences you can provide your child. At AdventureLore we believe that camp is more than just having fun. It's about having fun while making new friends, great memories and learning valuable life skills. When our campers return home we want them to have had the best adventure of their lives while also feeling like they learned life lessons and skills they can use as they grow into teenagers and young adults.
