School is out for Summer!

A Message from Administration:

Greetings Sanborn Community!

Well, the 2022-2023 school year has officially come to an end. Looking back, what an amazing year! There were so many events and memories that displayed Sanborn Pride. From all of the athletic events, the performances from the Drama Club, the work of Student and Class Council groups, our dedicated staff, exceptional students, Homecoming, Winter Carnival, Sanborn Star - it was a year that allowed us to redesign social opportunities. We are beyond grateful for the outpouring of support and encouragement this year from the Sanborn community!

This is the last edition of Points of Pride for the 2022-2023 school year. Please be on the lookout for summer updates. Until then, have an amazing summer Sanborn!

Yours Always,

Jennifer Michitson, Dr. Robert Dawson, Nichole O'Brien, Heidi Leavitt, and Timothy Westphal

Club, Organization, and Classroom Happenings

Food Truck Fun in Mrs. Belcher's Class

You may have heard of cross curriculum instruction which allows a teacher to incorporate themes from more than one discipline. This spring Ms. Belcher's 8th grade health class completed a first ever cross district project. As part of their Nutrition Unit 8th graders designed a food truck, including a menu and nutritional analysis of their two signature dishes. Mr. Kelly's high school Woodworking 2 students built the food trucks and Ms. Swist and Art students painted the trucks in the design the 8th grade students created. This was a fantastic opportunity for middle school students to get excited about the Unified Arts opportunities available to them at the high school and for high school students to hone their skills. A special thank you to Austin Bell and Cam Bolte for the construction of the food trucks and the following art students for painting them: Felix Mailhot, Elsa Lamere, Nicole Cuhna, Michael Chesley, Gwen Libby, Isa Janvrin, Rin Courcy, Nina Pelosi, Gabi Willis, Aidan Broyer,

Spencer Foley, Kyle Bradley, Lexi Chase, Ayreanna McGibbon, Julia Broyer, Alana Clements, Kylie Thompson, Veronika Carvahlo, and Jake Georgopolis.

Sanborn's Cars for Grads is back!

Continuing a tradition unique to Sanborn, for the 8th consecutive year Sanborn will present a graduating senior with a refurbished car. Sanborn's Cars for Grads program takes vehicles donated by members of our community, repairs them to road worthy condition and donates them to a deserving student chosen by Faculty members. This year's car is a 2009 Honda Fit, donated by a long time Kingston resident who wishes to remain anonymous. Congratulations to this year's recipient Sarah Terlizzi!

If you have or know of any cars available for donation, please reach out to Jack Kelly at jkelly@sau17.net

Support the Sanborn Submariners!

Please let the Sanborn Submariners reach their final goal! The Sanborn human-powered submarine team will be competing at the International Submarine Races beginning on June 24 and looking to raise additional funds for the trip accommodations. If you are an individual or business looking for a unique opportunity to support student learning, please reach out to Jim Enright - jenright@sau17.net. Every bit of support is greatly appreciated. **[CLICK HERE](#) for more information on how you can help!**
