## A Message from Administration:

Happy October Sanborn!

Fall has officially begun here at Sanborn. Students and staff are well settled into classrooms and there are some great events on the horizon. This first week of October brings a short week and an extended long weekend for students. There is a PD day this Friday and the Columbus Day holiday on Monday. This year, the Sanborn school district will again take part in the End 68 Hours of Hunger project. End 68 Hours of Hunger is a nonprofit food program whose mission is to help families in need feed their children over the weekend. This program helps provide students with extra meals from Friday evening through the weekend helping students be better prepared to come to school on Monday morning nourished and ready to learn. If this is a need for your family, please [CLICK HERE](#) for more information.

We are looking forward to another great week here at Sanborn!

Best Wishes From Your School Administrative Team,

## October Counseling Office News:

Senior Post-High School Planning Kickoff! There are many events happening in October.

- ★ On October 16th at 6pm in the library, we will host the NH Higher Education Assistance Foundation and they will present a thorough overview of the changes in the Free Application for Federal Student Aid (FAFSA). You will definitely not want to miss this presentation if your student is heading off to either a 2 year or 4 year college.
- ★ All Seniors will be having individual meetings with their school counselor to sign an intent to graduate form. Students will identify the type of diploma they will be earning and they will identify any requirements outside the school day that need to be completed in order to walk across the stage in June.
- ★ Seniors will participate in a Mandatory Senior Day on October 11th. First they will start the day with a Senior meeting and they will order their Caps and Gowns. Then they will take part

in a Financial Fair (they will be given a 'job and a salary' and will travel through a month of typical living expenses to have an opportunity to see how much it costs to live in the 'adult' world. They will end the morning with a presentation from Stats Geek of Natick. This 3 man show will speak to the need for connecting with others and taking care of themselves when they are responsible for their own well-being.

- ★ October 11th is PSAT Administration day. All students in grades 9-11 will be taking the PSAT exam. The exam will be 2.5 hours long.
- ★ Students who are interested in the Healthcare field should look for an email from Mrs. Alley. We are organizing field trips to both Exeter Hospital and Portsmouth Hospital to explore the various careers in the healthcare industry.

## Classroom and Co-Curricular Happenings:

### Donation from the Class of 2023 - Spanish Honor Society

**By: Sarah Bufano**

Led by alumni and former Spanish Honor Society Vice President - Kyle Brown - the Spanish Honor Society hosted a bingo night. The bingo night brought in a total of \$100 in donations! In honor of last year's graduating class in the Spanish Honor Society, Sra. Mercedes donated an additional \$100. We are so thankful for her generosity and the generosity of Sanborn students. The money was delivered by Sra. Mercedes to La Casa Rosada in the Dominican Republic this past Summer. The organization was brought to the Spanish Honor Society's attention through our partnership with a school in the Dominican Republic, San Judas Tadeo. Sanborn has weekly Zoom meetings during Spanish classes to practice speaking skills with students from San Judas Tadeo.

La Casa Rosada is an orphanage, run by the Sisters of Charity of Saint Vincent de Paul, home to approximately 60 children of ages ranging from a few months to early teens. It was founded to help children orphaned by AIDS and who are HIV positive. La Casa Rosada works to teach, feed, clothe, and provide medical care for these children. The orphanage is located in Santo Domingo, Dominican Republic. Pictured below, Sra. Sor Betania Munoz (middle) leads La Casa Rosada in providing care for these children.
